Cable Television and/or Internet Access

The Purchaser is liable to pay annual fee, subscription fee and such other fees to StarHub Cable Vision Ltd (SCV) or any other relevant party or any other relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels and/or internet access.

Marble and Granite

Marble and granite are natural stone materials containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity in the marble and granite as well as non-uniformity between pieces cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However granite, being a much harder material than marble cannot be re-polished after installation. Hence some differences can be felt at the joints. The tonality and pattern of marble or granite selected and installed shall be subject to availability.

Timber strips are natural materials containing grain/veins and tonal differences. Thus, it is not possible to achieve total consistency of colour and grain in their selection and installation.

Private Plunge Pool/ Jacuzzi (applicable to Penthouse Units)

For Units fitted with Private Plunge Pool/Jacuzzi, the Purchaser shall ensure the good working condition of the Private Plunge Pool/Jacuzzi in his Unit by arranging for the maintenance, servicing and cleaning of the Private Plunge Pool/Jacuzzi on a regular basis, at his own costs and expense. Neither the Vendor nor the Management Corporation (when formed) shall be responsible for the maintenance, servicing, cleaning, repair and replacement of the Private Plunge Pool/Jacuzzi.
