attractions

UNSURPASSED

Situated in 522 Kampong Bahru, Harbour Suites is extremely close to ravishing nature and myriad other attractions. Merely 3 minutes away, luscious greenery in Southern Ridges livens up your urban environment and blends blissful quiet into the city. Where two becomes one, you can embrace peace, truly like no other.

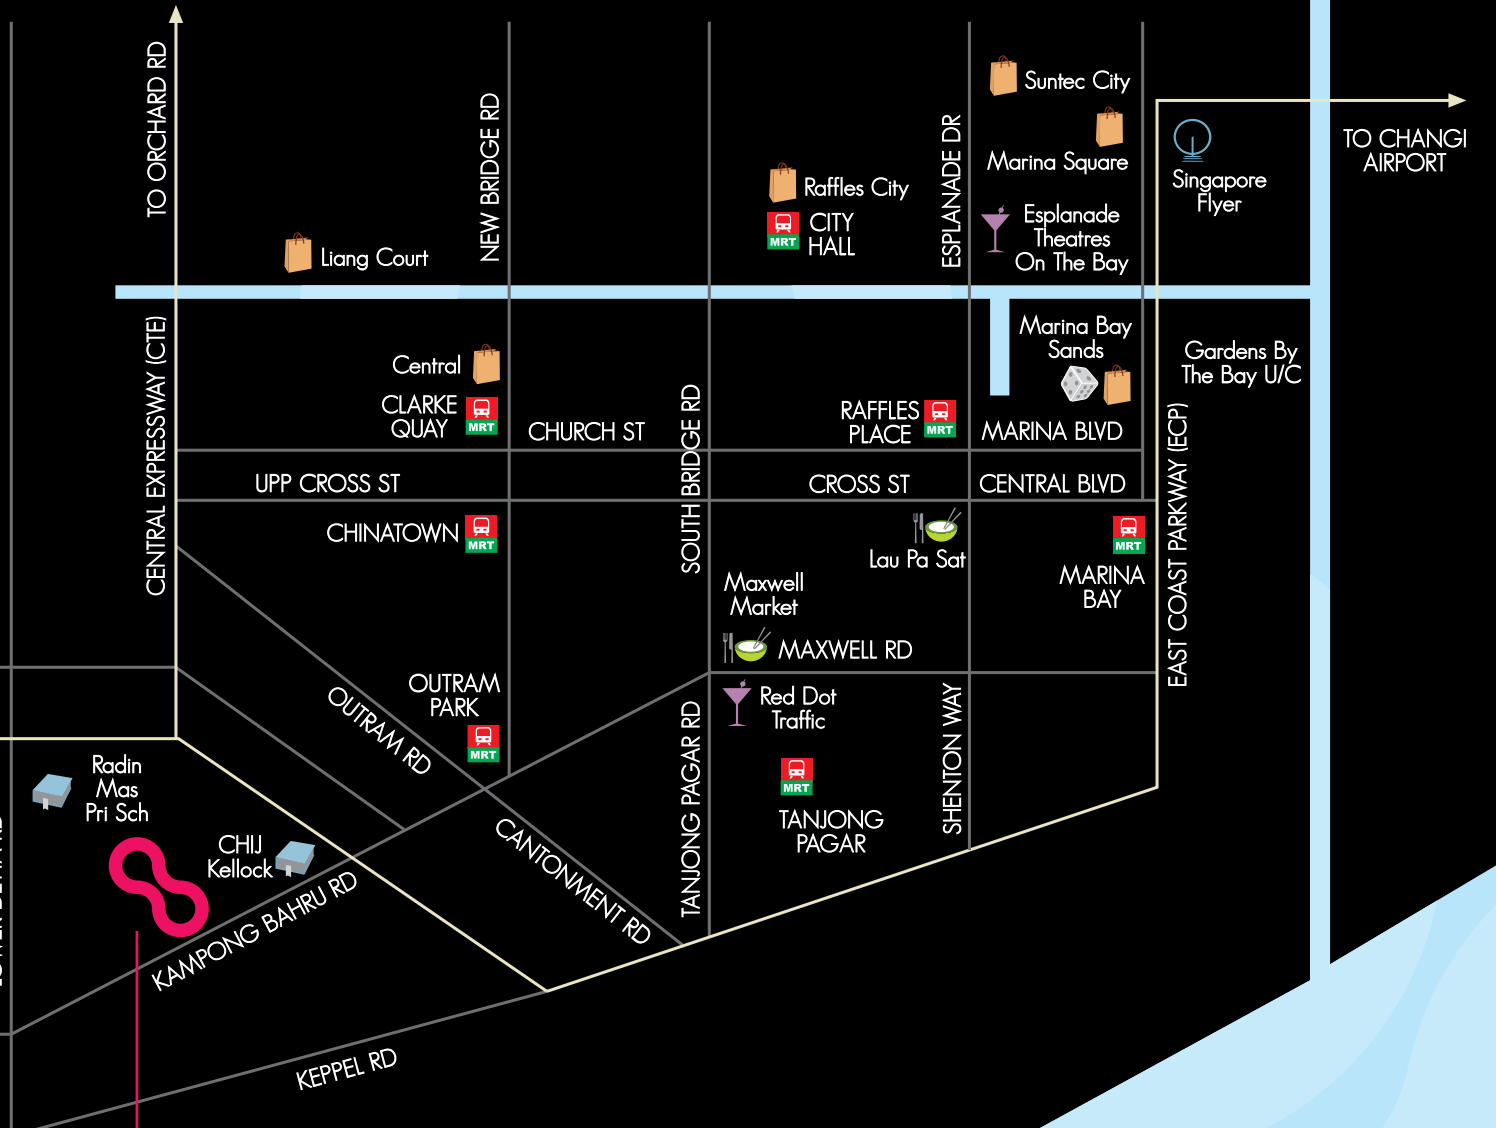

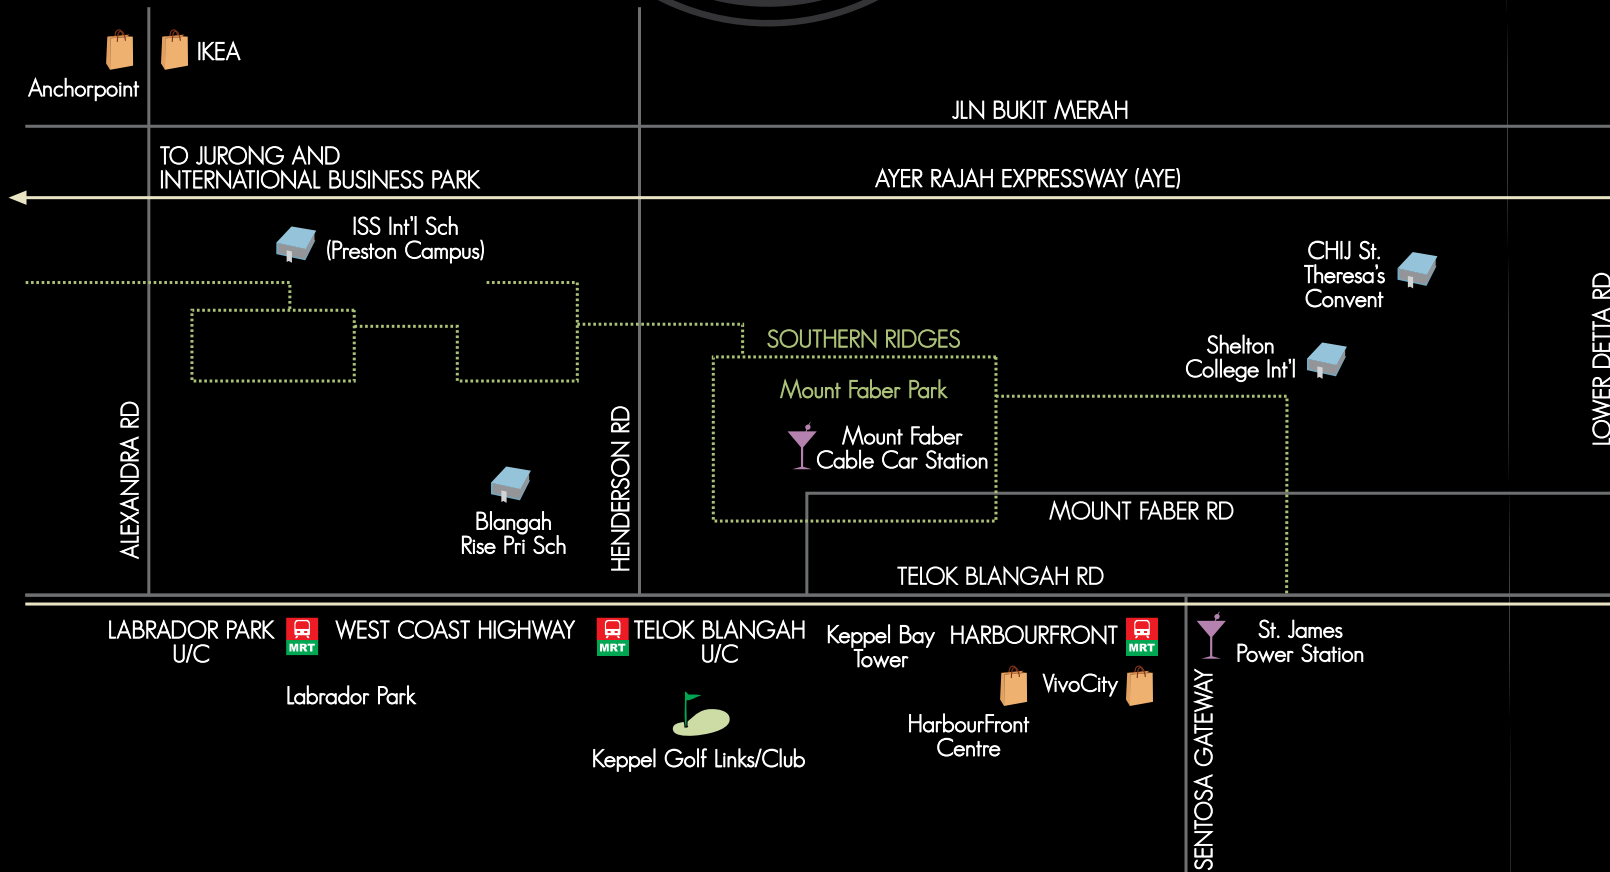

Soaring to a height of 13 levels, the altitude of Harbour Suites provides breathtaking visages of the surrounding flora, fauna and skyline. Comprising a varied choice of 44 units with 1 and 2-bedroom apartments, as well as 1+1, 2, 2+1 and 3-bedroom penthouse units, the establishment is exquisitely designed to suit your most discerning taste.

From fine dining, shopping, clubbing to sightseeing, Harbour Suites comes with a realm of exhilarating, non-stop entertainment, close at hand. It is here and now that you can count numerous blessings. Reputable schools are at your doorstep. Singapore's largest retail and lifestyle destination, VivoCity is only 1 minute away. HarbourFront MRT station is located next to home. To indulge in ambience of the magnificent outdoor, there is presence of Sentosa and Southern Ridges. A series of other attractions like Central Business District, Marina Bay Sands, Clarke Quay, Singapore Flyer, the Esplanade and Orchard Road is in close proximity. Harbour Suites is a haven that makes life complete.

08	10	14	2	2	3	4	1	1	2

- Note:
- A. Stone: Stone is a natural material containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity cannot be totally avoided.
 - B. Timber
Timber is a natural material containing grain/vein and tonal differences. Thus, it is not possible to achieve total consistency of colour and grain in its selection and installation.
 - C. Warranties
Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser.
 - D. Cable Television and/or Internet Access
The Purchaser is liable to pay annual fee, subscription fee and such other fees to the StarHub Cable Vision Ltd (SCV and/or Internet Services Providers (ISP) or any other relevant party or any other relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels and/or Internet access.
 - E. Kitchen Cabinets, Fan Coil Units, Electrical Points, Door Swing Positions and Plaster Ceiling Boards
Layout/Location of wardrobes, kitchen cabinets, fan coil units, electrical points, door swing positions and plaster ceiling boards are subject to architect's sole discretion and final design.
 - F. Air-conditioning System
To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned by the Purchaser on a regular basis. This includes the cleaning of filters, cleaning the condensate pipes and charging of gas.
 - G. Internet Access
If the Purchaser requires Internet access, the Purchaser will have to make direct arrangements with the Internet Service Provider and/or such relevant entities/authorities for Internet services to the unit and to make all necessary payments to the Internet Service Provider and/or the relevant entities/authorities.
 - H. Description of Common Property
Common Facilities such as, swimming pool, sky terrace/sun deck, outdoor fitness station, BBQ area and landscaping are to be held as common property as defined in the Building Maintenance and Strata Management Act 2004 and the Land Title (Strata) Act, Cap 158.
 - I. Common Area
Sentry Post is provided and Management Room is not provided.
 - J. Purpose of Building Project and Restriction as to Use
The building project is zoned 'Residential with commercial on the 1st storey only'. Thus, the units on the upper storeys are strictly for residential occupation only. Private mechanical car parks system is provided. The open roof terrace/PES is not to be enclosed or roofed over.

Additional Notes:
 While every reasonable care has been taken in preparation of this brochure, the developer and its agent cannot be held responsible for the inaccuracies or omissions. All statements are believed to be correct but shall not be regarded as statements or representation of fact. All information and specifications, renderings, visual representations, and plans are current at the time of publication and are subject to change as may be required by us and/or the competent authorities.

Materials, Fittings, Equipment, Finishes, Installation and Appliances
 Subject to Clause 14.3, the brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to architect's selection, market availability and the sole discretion of the vendor.

All information, specifications and statements herein shall not be treated to form part of an offer or contract. Floor plans are subject to amendments as may be required by the relevant authorities. Visual representations, model, showflat displays and illustrations, photographs, art renderings and other graphic representations and references, not limited to landscape and furniture, are intended to portray only artistic impressions of the development and cannot be regarded as representations of fact. Floor areas are only approximate measurements and subject to final survey.

The Sales & Purchase Agreement shall form the entire agreement between the developer and Purchaser and shall supersede all statements, representations or promise made prior to the signing of the Sales & Purchase Agreement and shall in no way modified by any statements, representations or promise made by the developer or the Marketing agents.

Household Shelter: The Household Shelter is designed for use as civil defence shelter. The walls, ceiling, floor and door of the Household Shelter shall not be hacked, drilled, altered or removed
