

**HUNDRED PALMS**  
RESIDENCES

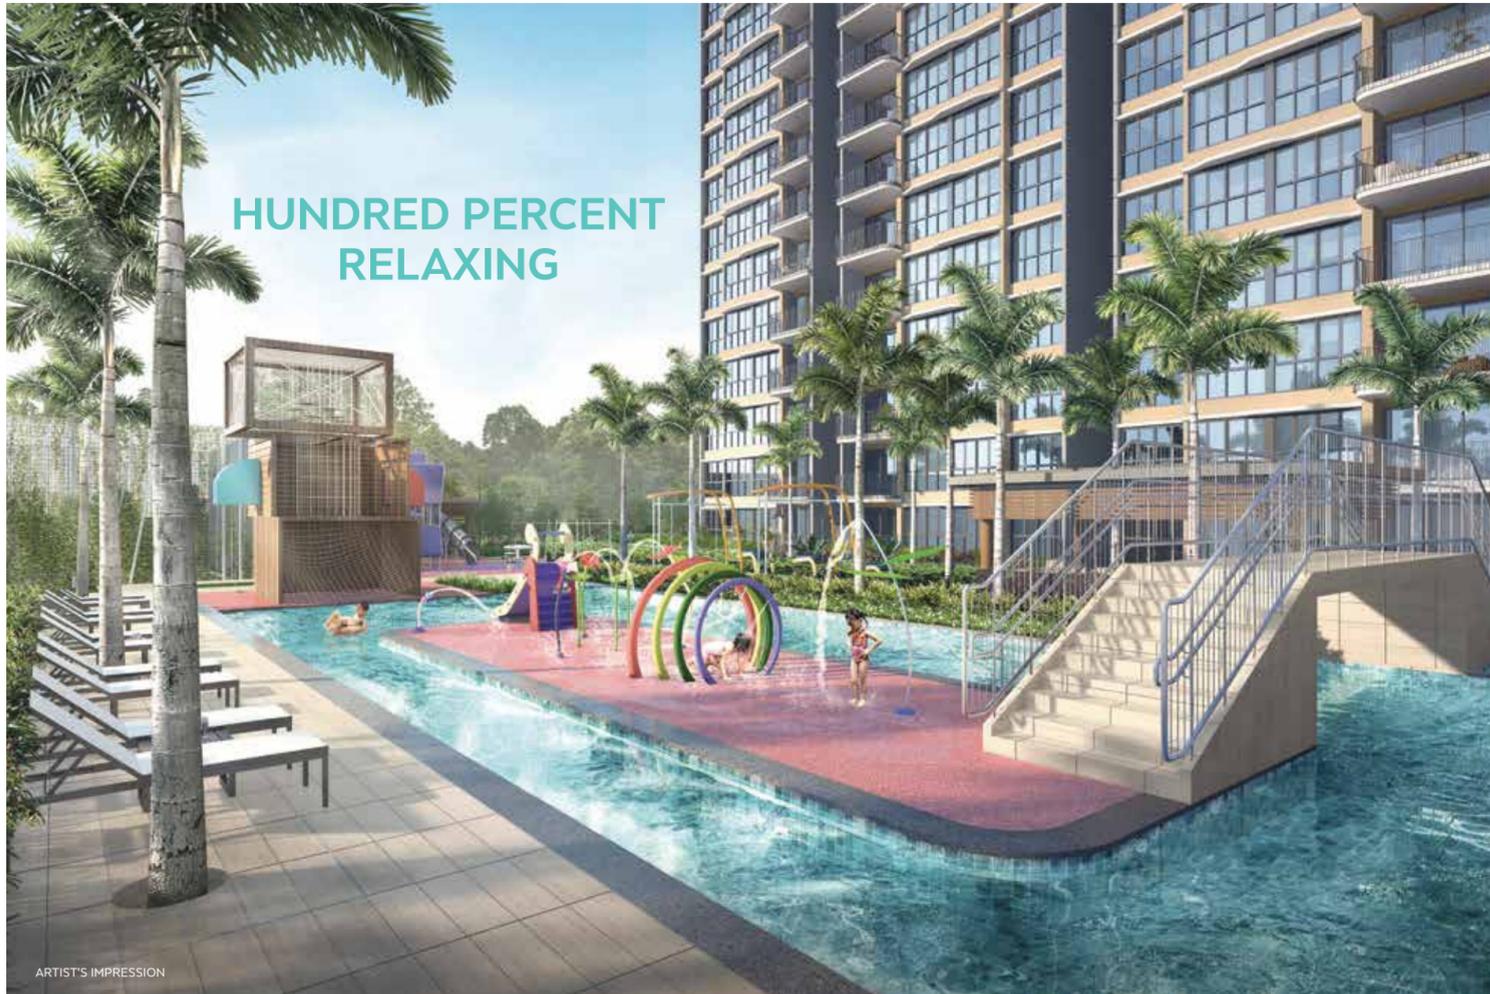

# HUNDRED PERCENT PERFECT CHOICE

HUNDRED  
PALM TREES  
RESORT LIVING  
CITY FRINGE  
NORTH-SOUTH  
FACING

## AN EXTRAORDINARY EXECUTIVE CONDOMINIUM

Step into a resort home lined with at least 100 ornamental royal palms of soaring grandeur, water cascades and green roofs. Elevated on an environmental deck and basement carpark are 531 units of 3, 4, 5-bedroom spread across 9 stunning blocks. Exclusivity is uncompromised with no more than 4 units on each floor, allowing an exceptional distance to set each home apart. Every home is angled towards the North-South, allowing more than half of all units in the luxurious development to awake to a mesmerising view of the pool. Higher South-facing units will absolutely love the unblocked views of the city.

## HUNDRED PERCENT RELAXING

ARTIST'S IMPRESSION

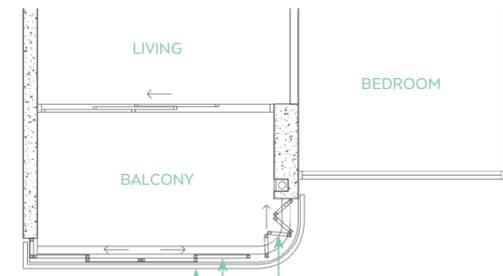

### PERFECT CONNECTION IN A CLICK

Hundred Palms Residences is integrated with cutting-edge smart home technology that lets you manage your living spaces through an app on your mobile or tablet. With seamless convenience available at a touch of a button, living to the fullest can't get any easier.

<p>Lock and unlock your door remotely</p>	<p>Switch on your air-con remotely to chill your home before you arrive</p>	<p>Pay your maintenance fees through your phone</p>	<p>Get your party organised with event planners</p>	<p>Book a swimming or tennis lesson with a certified coach</p>
<p>Keep abreast of what's happening at home even when at work or overseas</p>	<p>Brighten or dim the lights in one touch</p>	<p>Instant facility booking 24/7</p>	<p>Pick a caterer and have your favourite food delivered to your door</p>	<p>Arrange for housekeeping, plumbing, car wash, air-con maintenance and other services</p>

## BALCONY SCREEN DETAILS

### PLAN VIEW

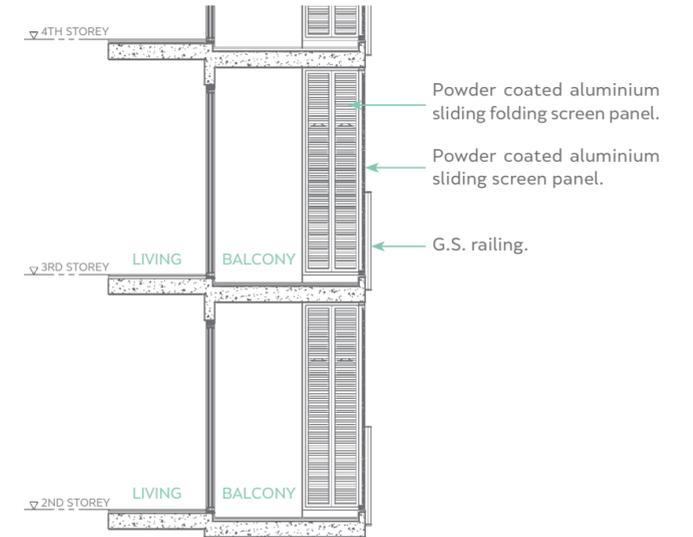

Powder coated aluminium sliding folding screen panel capable of being drawn open to allow natural ventilation within the balcony at all times.

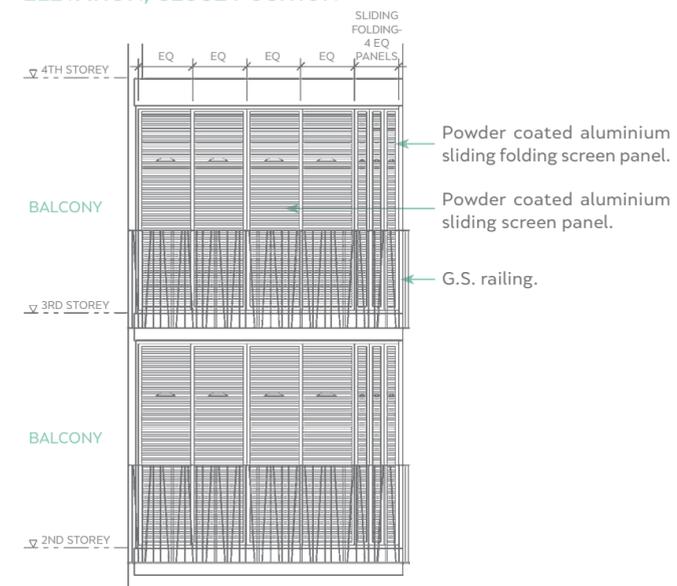

Powder coated aluminium sliding screen panel.

G.S. railing.

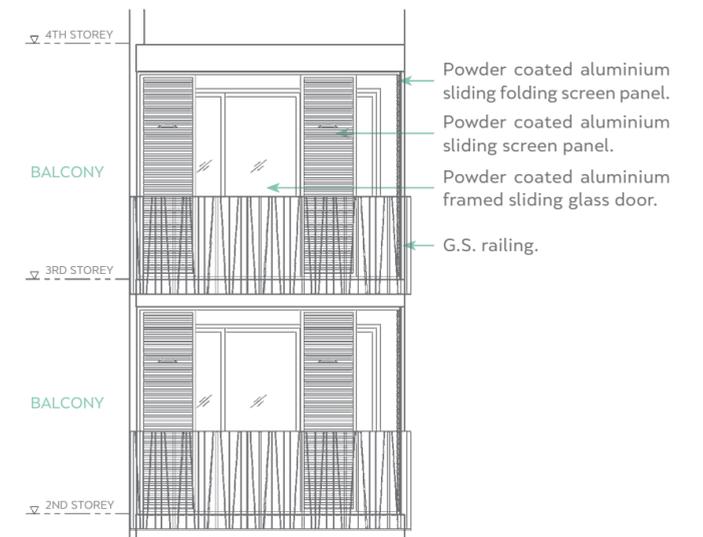

### SECTIONAL VIEW

### ELEVATION, CLOSE POSITION

### ELEVATION, OPEN POSITION

- NOTES TO SPECIFICATIONS**
- Marble/Compressed Marble/Limestone/Granite/Compressed Quartz**  
Marble/compressed marble/limestone/granite/compressed quartz are natural stone materials containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity in the marble/compressed marble/limestone/granite/compressed quartz as well as non-uniformity between pieces cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However, granite, being a much harder material than marble, cannot be re-polished after installation. Hence, some differences may be felt at the joints. Subject to clause 14.3, the tonality and pattern of the marble, limestone or granite selected and installed shall be subject to availability.

- Air-Conditioning System**  
To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing of condensate pipes and charging of gas. The Purchaser is advised to engage his/her own contractor to service the air-conditioning system regularly.

- Television and/or Internet Access**  
The Purchaser is liable to pay annual fee, subscription fee and such other fees to the television and/or internet service providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.

- Materials, Fittings, Equipment, Finishes, Installations and Appliances**  
Subject to clause 14.3, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to Architect's selection and market availability.

- Layout/Location of Wardrobes, Cabinets, Fan Coil Units, Electrical Points, Television Points, Telecommunication Points, Audio Intercom System, Door Swing Positions and Plaster Ceiling Boards**  
Layout/Location of wardrobes, kitchen cabinets, fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards are subject to Architect's final decision and design.

- Warranties**  
Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor will assign to the Purchaser such warranties at the time when vacant possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

- Web Portal of the Housing Project**  
The Purchaser will have to pay annual fee, subscription fee or any such fee to the service provider of the Web Portal of the Housing Project as may be appointed by the Vendor or the Management Corporation when it is formed.

- False Ceiling**  
The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.

- Glass**  
Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

- Mechanical Ventilation System**  
Mechanical Ventilation fans and ductings are provided to WC which are not naturally ventilated. To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal WC (where applicable) is to be maintained by the Purchaser on a regular basis.

- Tiles**  
Selected tile sizes and tile surface flatness cannot be perfect and are subject to acceptable range described in Singapore Standards SS483:2000.

- Prefabricated Bathroom Units**  
Certain bathroom and WC may be prefabricated construction and all penetrations are sealed at manufacturer's factory prior to installation on site. Any subsequent penetrations are not recommended as they will compromise the waterproofing warranty.

- Wall**  
All wall finishes shall be terminated at false ceiling level. There will be no tiles works behind kitchen cabinets/vanity cabinet/mirror.

- Vinyl Flooring**  
Vinyl flooring is manufactured material which contains tonality differences to match natural wood finish. Thus, it is not possible to achieve total consistency of colour and grain in its selection and installation. Vinyl floors are installed in modular planks and are subject to thermal expansion and contraction beyond the control of the builder and the Vendor. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

## HOI HUP HOUGANG DEVELOPMENT PTE LTD

Hoi Hup Hougang Development Pte Ltd is a joint venture amongst Hoi Hup Realty Pte Ltd, Azuki Investment Private Ltd and Oriental Worldwide Investments Inc.

### HOI HUP REALTY PTE LTD

Hoi Hup Realty Pte Ltd is a premier niche property developer in Singapore. Hoi Hup is dedicated to creating living space of the highest quality, comfort, functionality and style. As a result, numerous accolades were achieved including BCA Quality Excellence Award 2017 Quality Champion Gold<sup>PLUS</sup>, BCI Asia Top 10 Developers 2017, BCA Quality Excellence Award 2016 Quality Champion Gold<sup>PLUS</sup>, BCI Asia Top 10 Developers 2013, BCA Construction Excellence Award 2013, BCI Asia Top 10 Developers 2012 and Singapore 100 and Fast Growing 50 in 2011.

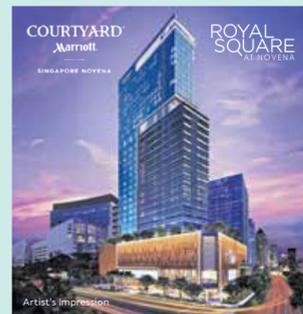

Recently, we have clinched the BCA Construction Excellence Award 2017 for Kovan Regency, BCA Construction Award (Merit) 2017 for Sea Esta, BCA Construction Excellence Award 2016 for Lake Vista @ Yuan Ching, BCA Construction Award (Merit) 2016 for Vacanza @ East, BCA Green Mark Award 2015 Gold<sup>PLUS</sup> for Kovan Regency and BCA Green Mark Award 2014 Platinum for Royal Square At Novena. Our prominent past projects include The Foresta @ Mount Faber, Questa @ Dunman, Residences @ Killiney, Versilia on Haig, Waterford Residence, Suites @ Cairnhill, Charlton Villas, De Royale, ARC at Tampines, The Miltonia Residences, The Peak @ Toa Payoh and City View @ Boon Keng.

Our current projects include Sophia Hills, Royal Square At Novena and The Whitley Residences.

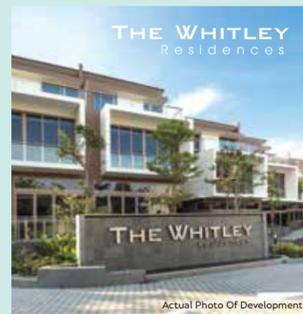

#### SOPHIA HILLS

A 493 units condominium at Mount Sophia, with 3 conservation buildings to be converted into a residents' clubhouse, an integrated childcare / kindergarten and integrated restaurant.

#### ROYAL SQUARE AT NOVENA

A 33-storey mixed-use commercial building with shopping, dining and medical suites near Health City Novena. Sitting on top of the development is the 250-room hotel, Courtyard By Marriott, Singapore Novena.

#### THE WHITLEY RESIDENCES

A freehold strata landed housing that comprises of 58 units of 2-storey semi detached houses and 3 units of 2-storey terrace houses with attic and home lift, ensconced in a good class bungalow enclave along Whitley Road. T.O.P. was obtained in year 2016.

#### KOVAN REGENCY

6 blocks of 15-storey condominium comprising of 393 units including 15 strata terraces along Kovan Rise. T.O.P. was obtained in year 2016.

**UPCOMING PROJECT - Another Executive Condominium at Anchorvale Lane coming your way.**
