4. Equipment for SCV will be paid and installed by Purchaser
5. Timber is a natural material containing grain and tonal differences. Thus it is not possible to achieve total consistency of colour and grain in its selection and installation.
6. Marble and granite are natural stone materials containing veins with tonality differences. There will be colour and marking caused by the complex, mineral composition and incorporated impurities. While such material can be pre-selected before installation, this non-conformity cannot be totally avoided. Granite are pre-polished before laying and care has been taken for their installation. However, granite, being a much harder material than marble cannot be re-polished after installation. Hence some difference may be felt at the joints.
7. All doors either be of swing or sliding or bifold type.
8. Where warranties are given by the manufactures and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor of the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser.
9. While every reasonable care has been taken in preparing this brochure and the plans attached, the developer and its agents cannot be held responsible for any inaccuracies therein. All statements, specifications and plans are believed to be correct but not to be regarded as statements or representations of facts. Visual representations, illustrations, photographs and renderings are intended to portray only impressions of the development and cannot be regarded as representation of facts. Photographs for images contained in this brochure do not necessary represent as built standard specifications. All information and specifications are current at the time of press and are subject to change as may be required and cannot form part of an offer or contract. All plans are subject to amendment approved by the building authorities. Floor areas are approximate measurements and subject to final survey. The choice of brand and model of fittings, equipments, installation and appliances supplied shall be at the sole discretion of the Vendor.
