# MOVE WITH THE WORLD IN THE HEART OF THE CITY

An opportunity to live freely and imaginatively. For work, for play, for business, for leisure, whichever way you see it, RV Suites is a home for you and you alone. And fringing both the city and the river, this is the perfect place to live the vicarious life you've always wanted.

# YOUR LOCATION IS PRIME

The siting of RV Suites neighbouring both Orchard Road and the Singapore River captures both the idyllic and the dynamic. Vibrancy that moves from bustling to laidback surrounds you as you are given the choice of venues to suit your mood. The convenience of Orchard Road in all its glory gives you access to the latest trends, brands and dining options while on your other side, Clarke Quay and Robertson Quay offer al fresco dining where you can take in the gentle lap of the river against its banks.

A fantastic mix of unique personalities living together and exchanging ideas – that is the vision for RV Suites. People who are different yet who share common ground when it comes to appreciating solitude, inspiration and vivacity, all housed in a modern home that could only be described as tres chic. RV Suites is, quite simply, the physical expression of individualism celebrated.

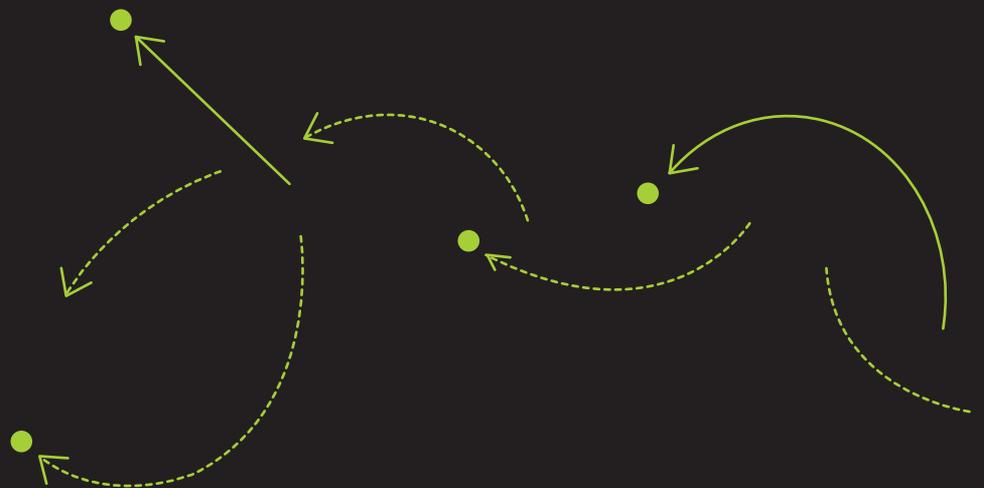

# REALIZE YOUR VISION OF A SMOOTHLY URBANE LIFESTYLE

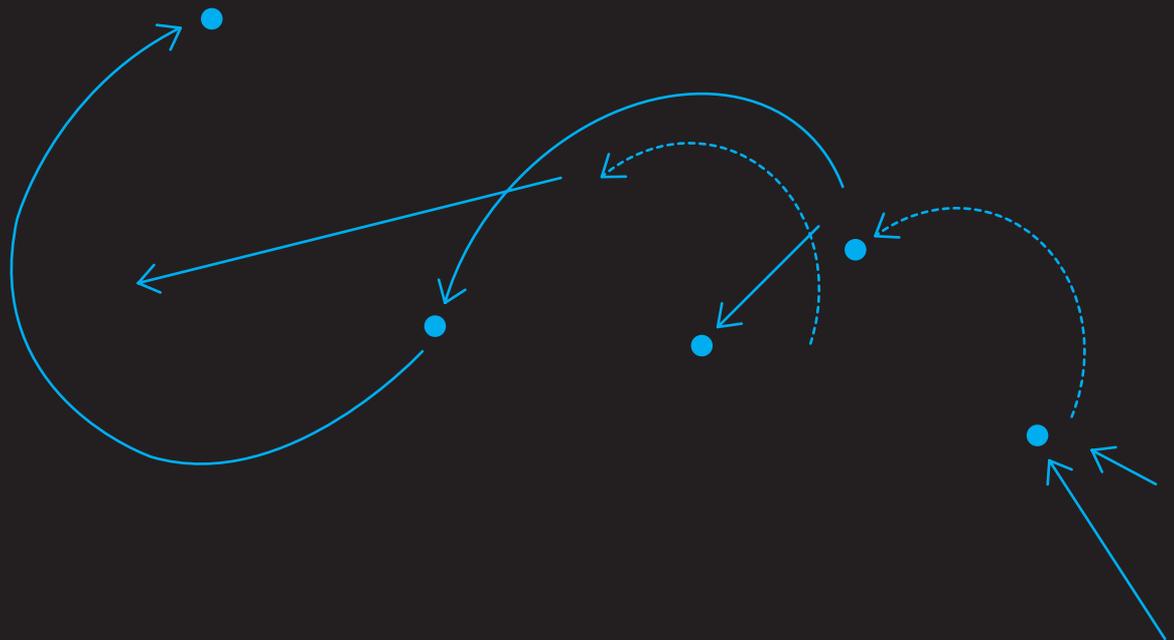

96 studio apartment units make up this seven-storey haven for the modern city-dweller. Architecturally, the look is hard, perhaps even rough, yet accompanied with a surprisingly fluid shape. Meant for inspiration, RV Suites is a home where creativity flows in contemporary context.

# AN AQUAMARINE PLAYGROUND IN THE SKY

You are surrounded by blue. Dive into the 45m-long lap pool that stretches along the depth of the roof terrace. The azure sky is your view as you do your daily laps. Overlooking the pool on one side and looking out across the neighbourhood on the other, the sky gym offers a holistic workout experience. With state-of-the-art equipment and a rejuvenating ambience, working out among the clouds has never been better.

# WORK FROM THE COMFORT OF YOUR HOME

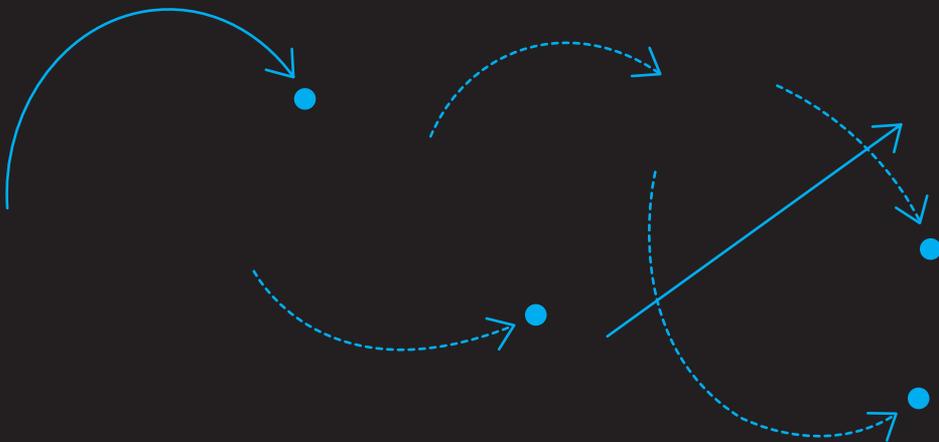

Combining work and play is easy at RV Suites. The old adage of leaving your work at the office is no longer applicable to the contemporary worker who wants a home that is more of a lifestyle than a hotel room. Spacious rooms provide more than enough space for your work tools and leisure toys to co-exist.

# QUALITY AND STYLE - PRACTICALLY EVERYTHING THAT MAKES AN IDEAL HOME

When style and quality form the foundation of a cozy, sleek home, you know that you've tapped on something magical. Quality fixtures grace your living room, kitchen, bedroom and bathroom, creating a space that immediately speaks of your impeccable taste. And with the addition of your own flavour into a winning apartment, you'll never want to leave home.

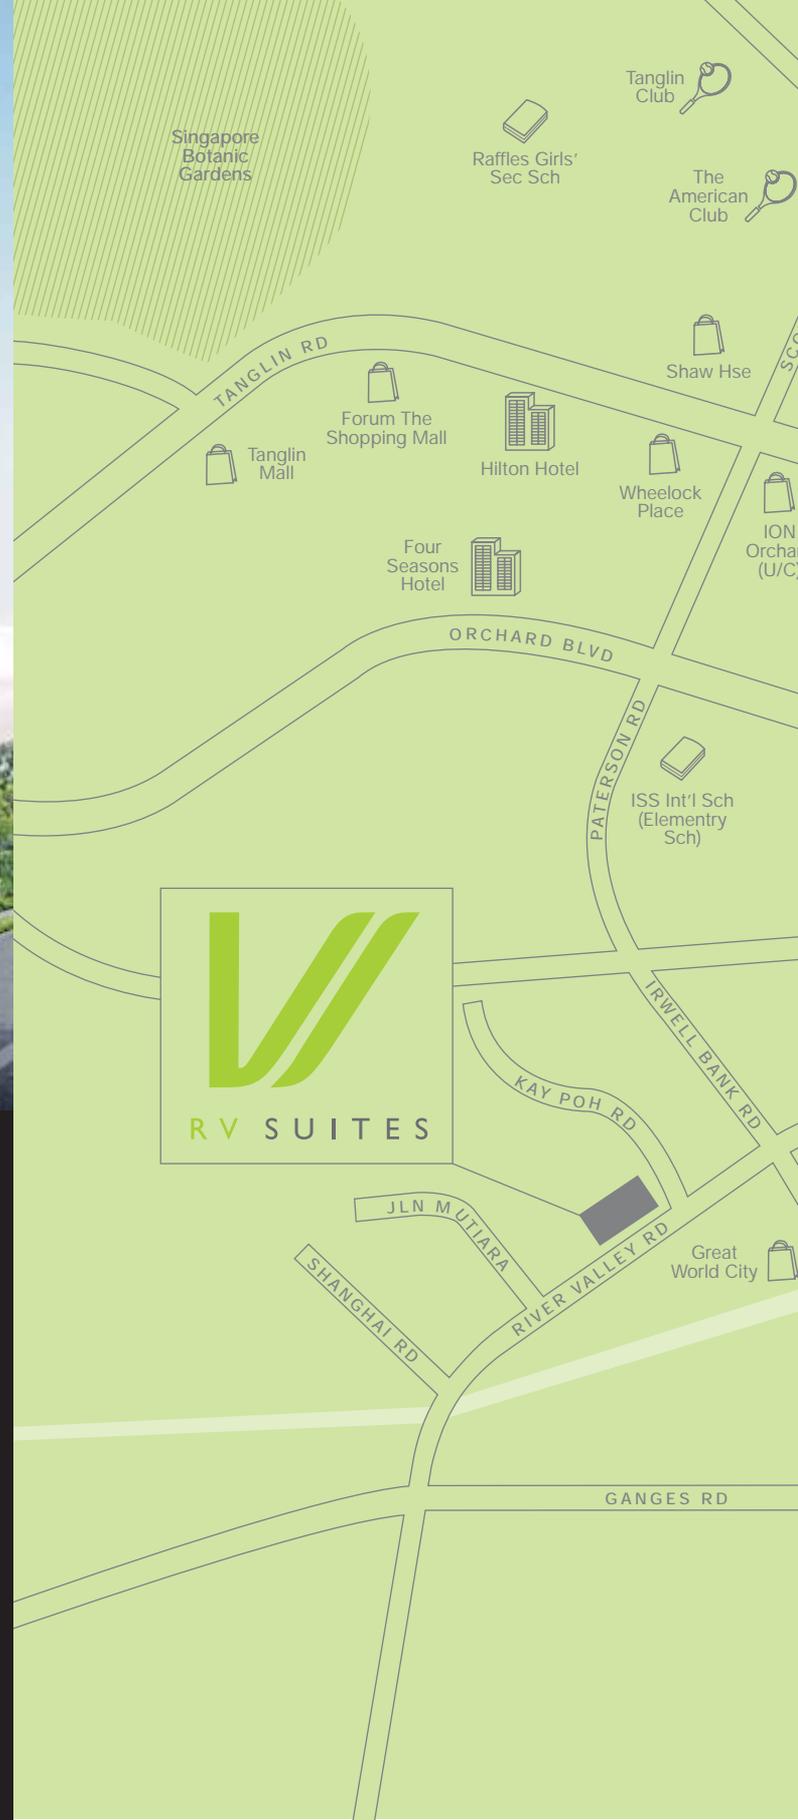

Artist's Impression

# THE CITY'S LIGHTS

Orchard Road, the river, and the City. The Singapore skyline will be an icon in itself with the completion of the two Integrated Resorts at Marina Bay and Sentosa, and the new downtown at Marina Bay. The dramatic rejuvenation will see an influx of tourists and talent, bringing the excitement surrounding Singapore to new heights.

# Specifications

## 1. FOUNDATION

Reinforced concrete/steel piles to engineer's design

## 2. SUPER-STRUCTURE

Reinforced concrete structure to engineer's design

## 3. WALLS

External – Pre-cast walling panels and/or common clay brick

Internal – Dry wall partition and/or common clay brick

## 4. ROOF

Flat Roof – Reinforced concrete roof with waterproofing and insulation

## 5. CEILING

Living/Dining/Bedrooms/ – Skim coat and/or plaster ceiling boards

Master Bath/Common – Plaster ceiling boards with Toilet/ Kitchen emulsion paint finish.

## 6. FINISHES

### Wall (For Apartments)

Living/Dining/Bedrooms/Study – Cement and sand plaster and/or skim coat with emulsion paint

Master Bath – Compressed marble tiles and/or homogenous tiles laid up to false ceiling height and on exposed surface only.

Other Bathrooms – Compressed marble tiles and/or homogenous tiles laid up to false ceiling height and on exposed surface only.

Kitchen – Ceramic tiles laid up to designated exposed surface below the false ceiling

Note: No tiles behind kitchen cabinets, mirrors and false ceilings.

### Wall (For Common Areas)

1st Storey Lift Lobbies – Granite tiles and/or homogenous tiles up to false ceiling height (exposed areas only)

Typical Lift Lobbies – Cement and sand plaster with emulsion paint finish

Staircases – Cement and sand plaster and/or skim coat with emulsion paint finish

### Wall (For Common Areas)

External Wall – Cement and sand plaster and/or skim coat with weather resistant paint finish

### Floor (For Apartments)

Living/Dining/Study – Compressed marble with skirting

Bedroom – Timber strips with skirting

Master Bath – Granite tiles

HS – Homogenous tiles

Kitchen – Compressed marble

Planter and A/C Ledge – Smooth cement finish screed finish

Balcony – Homogenous tiles

Roof Terrace – Homogenous tiles

Terrace – Homogenous tiles

### Floor (Common Areas)

1st Stories Lift Lobbies – Granite tiles and/or homogenous tiles

Typical Lift Lobbies – Homogenous tiles

Staircases – Ceramic tiles (1st to 2nd storey) /cement screed

Pool Area – Pebble wash, timber deck, granite tiles and/or homogenous tiles

Pool – Mosaic tiles

Walkway/Pavement – Granite tiles, pebble wash and/or homogenous tiles

## 7. WINDOWS

Powder coated aluminum frame

## 8. DOORS

Main Entrance – Fire-rated timber door

Bedrooms/Bathrooms – Hollow core timber

## 9. IRONMONGERY

Good quality locksets and ironmongery shall be provided to all doors.

## 10. SANITARY WARES AND FITTINGS

### Bath

– 1 shower cubicle complete with shower mixer and shower set

– 1 basin and mixer

– 1 water closet

– 1 mirror

– 1 toilet paper holder

## 11. LIGHTNING PROTECTION SYSTEM

Lightning Protection System shall be provided in accordance with Singapore Standard CP33 1996.

## 12. PAINTING

a) External Walls – Weatherproof emulsion paint. Textured coating and paint to designated areas

b) Internal Walls – Emulsion paint

### 13. WATERPROOFING

Waterproofing shall be provided for Bathrooms, Kitchen, R.C. flat roof and Planter Box, where applicable.

### 14. DRIVEWAY & CARPARK

Surface Driveway – Heavy duty homogenous tile and/or concrete slab  
Basement Car park – Reinforced concrete  
Driveway and Humps

### 15. RECREATIONAL FACILITIES

Swimming Pool with Jacuzzi, Gym Room

### 16. ADDITIONAL ITEMS

Kitchen Cabinets/ Appliances – Kitchen cabinets with solid surface worktop complete with sink & mixer, cooker hob, hood, integrated fridge and built-in oven  
Bedroom Wardrobes – Built-in wardrobes to bedrooms  
Air-conditioning – Air-conditioning to bedrooms and living/dining  
Card Reader Digital Lockset – To main entrance door  
Audio Intercom System – To apartment units  
Electric Water Heater – Hot water supply to all bathrooms and kitchen  
Cable vision – Provision of cable and outlet only

Note:

### FLOORINGS

#### Marble and Granite

Granite/Marble and Compressed Marble are natural materials containing veins and tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However, granite being a much harder material than marble cannot be re-polished after installation. Hence, some differences may be felt at the joints. The tonality and pattern of marble or granite selected and installed shall be subject to availability.

### Timber

Timber is a natural material containing grain/vein and tonality differences. Thus it is not possible to achieve total consistency of colour and grain in its selection and installation. Timber strips are also subject to thermal expansion and contraction beyond the control of the Vendor and the builder.

### Tiles

Selected tile sizes and tile surface flatness cannot be perfect, and subject to acceptable range described in Singapore Standards SS483.2000.

### WARRANTIES

Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and or appliances installed by the Vendor at the Unit/Building, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit/Building is delivered to the Purchaser.

### CABLE TELEVISION AND/OR INTERNET ACCESS

The Purchaser is liable to pay annual fee, subscription fee and such other fees to the StarHub Cable Vision Ltd (SCV) and/or internet service providers (ISP) or any other relevant party or any other relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels and/or internet access.

### LAYOUT

Layout/Location of wardrobes, kitchen cabinets, fan coil units, electrical points and plaster ceiling boards are subjected to Architect's sole discretion and final design.

### AIR CONDITIONING

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned by the Purchaser on a regular basis. This includes the cleaning of filters, clearing the condensate pipes and charging of gas.

### MATERIALS, FITTINGS, EQUIPMENT, FINISHES, INSTALLATIONS AND APPLIANCES

The choice of brand, colour and model of all the fittings, equipment, finishes installation and appliances supplied shall be provided subject to Architect's selection, market availability and the sole discretion of the vendor.
