in life and with your surroundings.

Or, a young couple with two different takes
on how modern city fringe living should be.

Finally, there's one place designed to meet
the discerning demands of today's urbanite.

ARTIST'S IMPRESSION

URBAN LIVING REDEFINED

Sky Vue; a connection, a statement and a home.

It means connecting to the city and all the things that matter. A statement of style, with the substance to complement a forward-looking, cosmopolitan individual of today.

A home that embraces different lifestyle ideals and one that lets you be who you want to be.

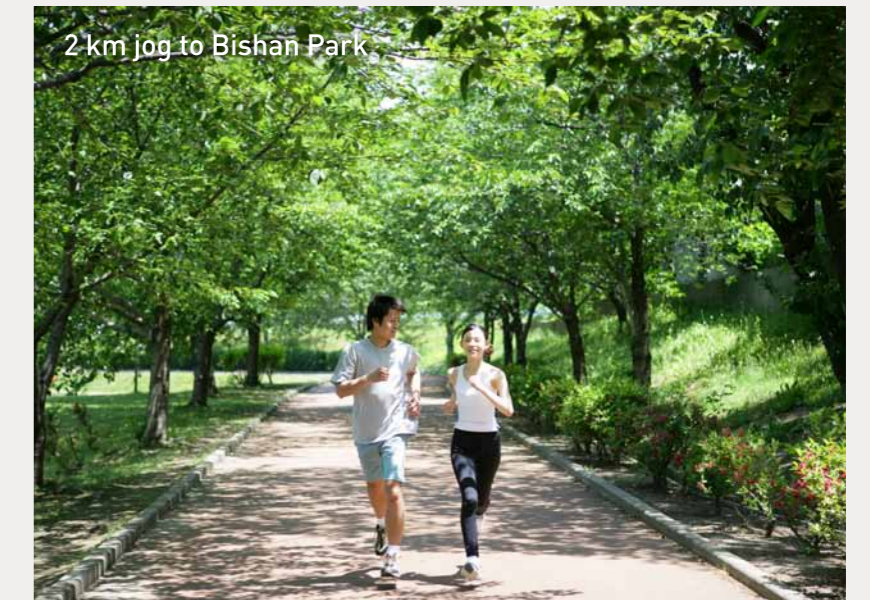

CITY EXCITEMENT OR NATURE'S CHARM?
IT'S YOUR CALL.
