AT KING'S DOCK

The background is a vibrant watercolor wash. It features a mix of deep blues, bright teals, and soft pinks, with the colors blending into each other in a fluid, organic manner. The texture is soft and painterly, with visible brushstrokes and color gradients.

A NEW REIGN  
*of*  
WATERFRONT LIVING

NOW A LANDMARK  
FOR THOSE WHO  
LIVE WITH FORESIGHT

Discover an abode that stands on the frontier of luxury living, made possible by visionary architect and founder of Rotterdam-based KCAP Architects&Planners, Kees Christiaanse. Like a series of urban sculptures, The Reef at King's Dock, with its 10 residential blocks, creates an exclusive, tranquil environment within the vibrant Greater Southern Waterfront, right on the edge of the upcoming Sentosa-Brani district.

Artist's Impression

## SINGAPORE'S FIRST FLOATING DECK IN A RESIDENTIAL DEVELOPMENT

The Reef at King's Dock raises the bar for waterfront living. Bask on an expansive, 180-metre-long sun deck—the first ever in a residential development in Singapore, right at your doorstep. Its scale and detail embody the impressive stature of King's Dock and provide a spectacular seaside experience that lets residents be one with the sea.

Inspired by resort spas and contemporary luxury hotels, the 429 residences at The Reef at King's Dock have been conceived as the perfect escape for the well-heeled and well-travelled. Choose from an exquisite selection of one- to three-bedroom apartments, all purposefully designed to meet the many demands of contemporary living. Smart home features are seamlessly integrated to provide a truly elevated experience.

Mapletree is a leading real estate development, investment, capital and property management company headquartered in Singapore. Mapletree distinguishes itself by actively transforming ageing properties into high-yielding real estate, and its development expertise is best seen through the successful transformation of the 24-ha HarbourFront Precinct and the nearby 13.5-ha Alexandra Precinct in Singapore.

By combining its key strengths, Mapletree has established a track record for building award-winning projects characterized by innovative architecture and excellent design specifications across various real asset classes. Our mixed-use developments integrate business, residence and leisure, offering dynamic destinations for work, live and play.

Keppel Land is the property arm of Keppel Corporation, one of Singapore's flagship multinational companies with a global footprint in more than 20 countries. Keppel Corporation provides solutions for sustainable urbanisation, focusing on energy & environment, urban development, connectivity and asset management.

As a multi-faceted property company, Keppel Land provides innovative real estate solutions with its sterling portfolio of award-winning residential developments, investment-grade commercial properties and integrated townships.

Keppel Land is geographically diversified in Asia, with Singapore, China and Vietnam as its key markets, while it continues to scale up in other markets such as Indonesia and India.
